Grandma Lyrics

One day go to five, five day go to ten
I see my Grandma once you know I got to see her again
I say Grandma, I say Grandma, Grandma, Grandma, Grandma

One day go to two, two day go to three Grandma put that low dress on just for me I say Grandma, I say Grandma, I say Grandma, Grandma, Grandma, Grandma

One day go to two and two day go to four Grandma kick her shoe off and they all howl for more I say Grandma, Grandma, Grandma, Grandma, Grandma

Yeah one day go to three, three day go to five Said Grandma so good lookin' she make Grandpa come alive I say Grandma, I say Grandma, Grandma, Grandma, Grandma

I say...

And Grandma she say...

And I say...
